

# 2011 TOWNSHIP CALENDAR

For the past several years the Caldwell Heritage Museum has produced a township calendar featuring a new picture each year from each of the thirteen townships in the county. The calendars have been very well received and are almost always a sell-out. We plan to do one for 2011 and we hope to have them ready to sell at our Fifth Sunday Open House on October 31.

This year we are adding a new feature. For the small sum of \$2.00 each, we will place birthdays, anniversaries, or any other significant event on the appropriate day. We will not include the year unless it is specifically requested.

An example of the listing of a birthday would be as follows:

Mary Smith – BD                      or                      Mrs. John Smith – BD

An example of the listing of a wedding anniversary:

John and Mary Smith – WA                      or                      Mr. and Mrs. John Smith – WA

Persons with dates listed on the calendar will receive the member discount when purchasing calendars.
